Who Should Complete this Application?

Students who wish to pursue only a standalone certificate program (and not a degree) at Ohio University should complete this application. OHIO currently offers standalone certificate programs in Automation Technician (CTATMU), Mechatronics Technician (CTMCHU) and Semiconductor Manufacturing Technician Fundamentals (CTSMTU).

Who should not complete this application?

- **College Credit Plus (CC+):** High school students who wish to participate in CC+ options provided by Ohio House Bill 487 before graduation from high school. A different application is needed for this option. Please contact your high school guidance office or Undergraduate Admissions for more details.

Note: Students who are enrolled in OHIO's CC+ program may take courses that lead to either of OHIO's standalone certificates. However, since standalone certificates require a high school diploma or GED for admission, CC+ students will not be eligible to enroll in a certificate program code until completion of high school. CC+ students should submit an opt-in form (available at ohio.edu/dualenrollment/collegedcreditplus/academics/pathways) indicating which certificate(s) they intend to complete. CC+ students can apply to a standalone certificate program during their senior year of high school and receive an offer of admission up to one term after high school graduation. After graduating from high school, and if all certification requirements have been satisfied, the student will need to apply for degree conferral for the certificate to be awarded at the end of the summer semester.

- **Students pursuing a degree at Ohio University:** Freshman or transfer students who want to enroll at Ohio University with the intent of completing an associate or bachelor's degree. Please contact Undergraduate Admissions for the appropriate application.
- **Former or current Ohio University students:** Contact the Office of the Registrar, Chubb Hall 010, registrar@ohio.edu, 740.593.4191, about reenrolling. Former graduate students who want to register for undergraduate-level courses and have never enrolled in undergraduate coursework at Ohio University should complete a change of level application through the Graduate College.
- **Denied or dismissed students:** Students who have been denied admission to a degree program at Ohio University and students currently dismissed or under suspension at another institution should contact Undergraduate Admissions to discuss enrollment options.

Priority Dates

Undergraduate Admissions must receive a completed application, including all credentials required to support admission, no later than two weeks prior to the first day of classes. Applications or documents submitted late will be considered as processing timelines and space permits.

Registration

Admitted students will be placed in a registration group based on the hours earned at Ohio University and will register for classes with other undergraduate students. You may only register for classes that apply toward your certificate program.
